The Island Chamber Symphony has been giving concerts at various sites on Long Island for almost 30 years. ICS is most often conducted by founder/music director Jeremy Niles Kempton. The orchestra is made up of between 25 and 30 of Long Island's finest musicians. The exact number and instrumentation depends on the specific programs being presented. We are especially proud of our policy of showcasing gifted young artists, many of whom have gone on to perform with orchestras such as the New York Philharmonic, the Philadelphia Orchestra, the San Francisco Symphony, the Mexico City Symphony and many others.
