Dear Teachers and Young Musicians,

As you all know, Hurricane Sandy caused many families within our music community to suffer greatly, some lost all of their possessions including their homes.

Music is a powerful force, it brings people together in times of joy as well as sadness.

Concert Festival invites you to join us in a benefit concert for the support of two families of Concert Festival participants who have suffered great losses and who need our help for their children to be able to continue their music education.

Faust Harrison Pianos, the premier piano dealer in the NYC area, is generously providing their showroom performance spaces in Westchester and Long Island for this worthy cause.
